## **TESTING FOR PROINSULIN**

Dear Doctor,

The referral laboratory where we refer testing for Proinsulin has informed us that results will now include the following comment.

“This test was performed using a kit that has not been cleared or approved by the FDA. The analytical performance characteristics of this test have been determined by Quest Diagnostics. This test should not be used for diagnosis without confirmation by other medically established means.”

This is not an OHIP billable test. The fee is \$56.25

Please see attached specimen requirements for Proinsulin testing.

If you have any question regarding this matter please call (416) 449-2166 ext 1313.

Sincerely,

Robert Cheslo-Trengrove
